News.

The house, barn and out buildings of Amasa Carroll of Warren, were burned Wednesday night, about 6 o'clock, with one yoke of beef oxen, two cows and about fifteen tons of hay.

Carroll and his family were in the house at the time of the fire, which caught in the barn and spread to the house. Carroll says he did not see the fire until it was in the barn. He says the fire was caused by a candle that had been left burning in the barn.

It is said that the ship-building firm of Goss Sawyer & Packard, have a large number of contracts for vessels to be constructed this winter.

There was a narrow escape from fire on High Street, Bangor, Friday night. A large house, which Mr. J. C. Edwards has since, was on fire at the time of the fire.
